

2015 Public Policy Review

LCCC Offices: 19301 Winmeade Drive, Suite 210, Lansdowne. VA

Overview: The Public Policy Committee is starting our annual Public Policy Agenda review. The 2014 Public Policy Agenda has been divided into three sections of 5-6 issue areas each; three work sessions are scheduled in September to discuss each section in-depth (details below).

If we are to build a document that truly reflects the opinions of Loudoun's business community, we NEED your input. If you are unable to attend a work session, please offer your revisions and comments electronically at any time to Brian Fauls, Manager of Government Affairs at bfauls@loudounchamber.org.
