

COMING SOON!

Stay tuned for launch date

Dear Loudoun County Chamber of Commerce member,

The Loudoun County Chamber of Commerce is proud to announce a new partnership with ChamberMaster, the #1 provider of web-based software solutions for Chambers of Commerce.

ChamberMaster offers valuable online and mobile features to help your business to attract new customers and to share information with our Loudoun County community and the world.

Log in today to update your information and take advantage of these features!

- **Business Directory Listing** – your business information is available to consumers through the chamber's website – visitors can search by category, keyword or alphabetically
- **Dedicated, Promotional Business Profile** – your own page on the chamber's website which can include your business description, hours of operation, location information, and up to eight keywords (these help identify your business when a website visitor does a keyword search on the Business Directory)
- **"Email to a friend" link** – visitors to your **Promotional Business Profile** may select a link to email your business information to a friend
- **Job Postings** – add your own job openings to the Chamber's website*
- **Hot Deals** – include store coupons and special offers on the Chamber's website*
- **Event Posting** – add your business' or non-profits special events to the Chamber's Online Community Calendar, which will allow any website visitor to add your event to Outlook, e-mail the details to a friend and request an automatically generated email reminder for your event.
- **Social Media and Video** – Take advantage of built in Social Media and video capabilities to enhance your business listing. With FaceBook, Twitter and YouTube tools built into ChamberMaster, you can further promote your business profile by connecting it to your own Social media pages and that of your contacts.
- **MyChamberApp** – MyChamberApp is a free mobile application that instantly links the Chamber's membership directory to the most popular mobile devices, where potential customers can find your business. MyChamberApp is free to download for users and promotes Chamber members contact information, business specials and chamber events. MyChamberApp is available on the iPhone, iPod, iPad, Blackberry and Android smart phones.
