HEALTH & WELLNESS BUSINESS INITIATIVE

The Health and Wellness Initiative was created to provide Chamber members access to the important health and wellness-related information and valuable resources for their businesses. Businesses that complete the Healthy Business Challenge scorecard will be honored at the annual celebration event. In addition, the Healthy Business Challenge series will include a Wellness Fair and a number of educational workshops on healthy living, alternative health care options and other initiatives. The Health and Wellness Initiative was created to provide Chamber members access to the important health and wellness-related information and valuable resources for their businesses.
