National Civics Bee® Regional Competition Round Rules ("Regional Rules") Template

COVER PAGE

The U.S. Chamber of Commerce Foundation (the "Foundation") provides the following rules for Regional Competitions as a template for National Civics Bee Regional Competitions. The Foundation defines "Regional Competition" as a National Civics Bee-sanctioned live competition organized and operated by an organization authorized by the Foundation to host a Regional Competition (a "Regional Host") as a part of the National Civics Bee Essay Round.

These Regional Rules are not intended for use in any other rounds of the National Civics Bee Competition (the "NCB Contest"). All participants must comply with the applicable rules for the NCB Contest, which may include an Essay Round, a Regional Competition, a State Competition, and the National Competition.

The operation of each Regional Competition is the sole responsibility of the Regional Host. The Foundation takes no responsibility for running the Regional Competition, including compliance with federal, state, and local laws and regulations applicable to the Regional Competition (collectively, "Applicable Law"). Please note Applicable Law may apply to the running of the Regional Competition (e.g., laws on entry into competitions where there is a cash prize), and it is the sole responsibility of the Regional Host to comply with all such Applicable Law. While these Regional Rules are intended to follow general best practices in competitions like the NCB Contest rounds, the Foundation makes no representation or warranty regarding the Regional Rules' compliance with Applicable Law and disclaims any such warranty.

All questions or concerns related to a Regional Competition should be submitted to the Regional Host, not the Foundation. Regional Hosts are listed at nationalcivicsbee.org and by zip code.
